

KATY SCHULGA'S

VINEYARD LEADERSHIP COLLEGE YEAR

What is Leadership College?

Vineyard Leadership College is a year-long intensive part-time programme for people experiencing a call to leadership, as we work to invest in that call in an intentional and deliberate way.

Over the next year, I will be attending college sessions during the week with a focus on Pastoral and Pioneering Leadership and also undertake a practical placement within church. Here I will support the coordination and training of small groups and small group leaders and develop our sound/screen/podcast team.

How can you support me?

PRAYER

I would appreciate your ongoing prayerful support throughout the year, as I journey more deeply into God's calling over my life and take on more responsibilities in these areas.

My main prayer points are:

To learn more and grow as a person in Jesus

To have confidence as I step out
To prioritise rest well and find places of rest during the busyness

FINANCIAL

If you feel financially led to support me during this year, thank you! Any gifts will go directly to cover expenses as part of my ministry year.

My expenses will include:

Paying for my college course

Travel to/from Aberdeen for residentials and conferences

Resources, such as books for my studies

If you'd like to hear more about what I'll be doing throughout the year, chat to me about how you can support me in prayer, or send me an encouraging message, you can email at:

katycollegesv@gmail.com

If you feel led to offer financial support for my year, you can use these bank details:
